<h3>About Us</h3>	<p>GotoBus offers travelers a user-friendly online marketplace to purchase inter-city bus tickets, tours, and sightseeing activities online. Historically, travelers have had to individually check the schedules of numerous bus providers and order tickets directly from each operator. Through GotoBus.com, travelers can search by destination and travel date to quickly compare schedules, itineraries, and prices for over 200 vendors.</p>
<h3>Our Story</h3>	<p>IvyMedia Corporation was founded in June 2000 with the mission of providing easy-to-use solutions for e-commerce. In 2002, IvyMedia began to focus on selling bus tickets online for the first independent bus line, a Chinatown bus company. Before long, many independent bus companies, including most Chinatown Bus lines, listed their tickets for sales through IvyMedia.com. At the beginning of 2006, IvyMedia.com was replaced by GotoBus.com to accurately reflect the nature of business.</p>
